

FOR IMMEDIATE RELEASE

IICRC Standards Available for Second Limited Public Review

LAS VEGAS – March 20, 2026 – [The Institute of Inspection, Cleaning and Restoration Certification](https://www.iicrc.org) (IICRC) has opened the second limited public review for the Draft IICRC S220 Standard for Inspection of Hard Surface Floor Coverings. Download the Substantive Changes made to the draft S220 Standard since the first public review, and submit your comments online from March 20 to April 19, 2026, here: <https://iicrc.org/s220/>

As part of the ANSI 30-day limited public review period, all comments must be submitted using the online comment form no later than April 19, 2026.

The Draft S220 Standard describes the non-destructive procedures, methods, and systems for professional inspectors to follow when inspecting light commercial and residential hard surface floor coverings; including stone, laminate, wood, ceramic, and resilient. This Standard does not specifically address the protocols and procedures for installing hard surface floor coverings.

For more information on other certification programs and standards offered by the IICRC, visit www.iicrc.org. To purchase a copy of IICRC standards, please visit <http://webstore.iicrc.org>.

About the IICRC

The IICRC is an international, ANSI-accredited standard-development organization (SDO) that certifies individuals in 20+ categories within the inspection, cleaning and restoration industries. Representing more than 54,000 certified technicians and 6,000 Certified Firms in 22 countries, the IICRC, in partnership with regional and international trade associations, represents the entire industry. The IICRC does not own schools, employ instructors, produce training materials, or promote specific product brands, cleaning methods or systems. For more information, visit www.iicrc.org.
