

**FOR IMMEDIATE RELEASE**

### **IICRC Announces Inaugural Legislative Fly-In**

**Las Vegas, NV – April 9, 2026** – The Institute of Inspection, Cleaning, and Restoration Certification (IICRC) is proud to Legislative Fly-In, taking place September 1<sup>st</sup> and 2<sup>nd</sup> in Washington, D.C. This landmark event will be hosted at the Hyatt Capitol Hill and will bring together IICRC-certified professionals and firms, industry leaders, and stakeholders from across directly in the legislative process.

The Legislative Fly-In represents a major step forward in the IICRC's commitment to advocacy, education, and industry will gain valuable insights into key policy issues impacting the cleaning and restoration industry, participate in strategic opportunity to meet with members of Congress and their staff on Capitol Hill.

“This event is about empowering IICRC-certified professionals and firms to have a voice in the policies that shape our IICRC President and Chairman of the Board. “By bringing our community directly to Washington, we are creating meaningful advocate for standards, certifications, and the critical role our industry plays in disaster recovery efforts and public health.

“With IICRC standards and certifications now cited in federal legislation, our industry is firmly on the policy radar,” said of Government Relations for the IICRC. “This Fly-In ensures we're not just part of the conversation but actively helping to engagement with lawmakers.”

#### **The two-day event will include:**

- A Certified Firm Roundtable
- Issue briefings on key legislative priorities
- Advocacy training and preparation sessions
- Coordinated meetings with federal lawmakers and their staff

Registration is now open, with Early Bird pricing set at \$149 for a limited time. A discounted room block is also available at attendees on a first-come, first-serve basis.

The IICRC encourages all certified professionals, firms, and industry partners to take part in this inaugural event and help industry through direct engagement with policymakers.
